(Example: One thousand [1,000] hours are needed for a year of service credits. Employee works nine hundred [900] non-travel time hours and one hundred twenty-five [125] travel time hours in calendar year 2013. Individual Employer reports an additional one hundred (100) hours to the Pension Trust Fund for the month of December 2013 to enable an employee to earn a year of service credits.)
