### **SCOPE OF WORK**

102.5. This Agreement shall cover and apply to all work falling within the recognized jurisdiction of the Union signatory to this Agreement.

102.5.1. It shall cover work on building, heavy highway and engineering construction, including the construction of, in whole or in part or in improvement or modification thereof, including any structure or operations which are incidental thereto, the assembly, operation, maintenance and repair of all equipment, vehicles and other facilities, including helicopters used in connection with the performance of the aforementioned work and services and including without limitation the following types or classes of work.

102.5.2. Street and highway work, grading and paving, excavation of earth and rock, grade separations, elevated highways, viaducts, bridges, abutments, retaining walls, subways, airport grading, surfacing and drainage, electric transmission line and conduit projects, water supply, water development, reclamation, irrigation, draining and flood control projects, water mains, pipe line, sanitation and sewer projects, dams, aqueducts, canals, reservoirs, intakes, channels, levees, dikes, revetments, quarrying of breakwater or riprap stone, foundations, pile driving, piers, locks, dikes, river and harbor projects, breakwaters, jetties, dredging, tunnels, soil testing and building inspection.

102.5.3. The construction, erection, alteration, repair, modification, demolition, addition or improvement, in whole or in part, of any building structure, including oil or gas

refineries and incidental structures, solar energy installations and appurtenances thereto also including any grading, excavation or similar operations which are incidental thereto or the installation, operation, maintenance and repair of equipment, and other facilities used in connection with the performance of such building construction except where such structures are an incidental or supplemental part of highway and engineering construction, as defined in this Article.

102.6. All work performed in the Contractor's warehouses, shops or yards which have been particularly provided or set up to handle work in connection with a job or project covered by the terms of this Agreement and all of the production or fabrication of materials by the Contractor for use on the project shall be subject to the terms and conditions of this Agreement.

103. A vendor who makes deliveries of materials, supplies or equipment and who, incidental to or as a part of the furnishing or delivery of material, supplies or equipment, does any work at the jobsite shall be a party to a current Collective Bargaining Agreement with the International Brotherhood of Teamsters or one of its affiliates. In the event a vendor is not party to such an Agreement, he shall not perform any jobsite work except that deliveries may be made by such vendor to central storage areas or storage tanks for later distribution by employees covered by an appropriate, current labor Agreement with the appropriate Union or subordinate body affiliated with the Building and Construction Trades Department AFL-CIO or with the International Brotherhood of Teamsters or an affiliate thereof. This subparagraph shall apply only to vendors and shall not be applicable to Contractors or their Sub Contractors or to their employees.

104. Repairs necessitated by defects of material or workmanship or adjustment of newly purchased and/or installed equipment or machinery will not be subject to this Agreement when such repairs and/or adjustments are made pursuant to the terms of a manufacturer's guarantee and the Union will not hamper such manufacturer or his agents or employees on such exempted work.
