Where the Contractor has designated parking area(s) within reasonable proximity to the jobsite, such designation shall be final and binding and employees shall not be reimbursed for more than the cost of parking at such designated area(s) provided that parking space is available in such area(s) at the time the employee reports for work and remains available for the duration of the employee's scheduled shift.

XXI. SUBSISTENCE

21.1 Subsistence shall be paid at the rate of seventy-five dollars (\$75) per scheduled workday. There shall be no prorating of subsistence. Subsistence shall apply to workmen and/or employees who report to work and for whom no work is provided.

21.2 In lieu of subsistence, the Contractors may provide and maintain acceptable room and board on or immediately adjacent to the project seven (7) days per week in compliance with California State Laws.

21.3 Employees shall travel to and from their daily initial reporting place to their own time and by means of their own transportation. The Contractor shall be responsible for payment of wages from the reporting point, as ordered by the Contractor, to the jobsite and from job to job and return. However, employees who voluntarily report to a point for free transportation to the jobsite will not be compensated from the time en route and return. For offshore work, employees will receive travel pay at straight-time rates from port of embarkation to jobsite and from jobsite to debarkation regardless of mode of transportation, which transportation shall be at the Contractor's expense; and in no event shall the travel time be less than one (1) hour regardless of mode of travel. If no camp is furnished by the Contractor's, such transportation shall be furnished daily.

For all other employees, the 150 mile round trip is calculated from 2005 W. Pico Boulevard, Los Angeles, CA 90006.

21.5 Subsistence shall be applicable as per Article I: Recognition, Article II: Coverage and as per Article XXI: Subsistence, Section 1-2 and 3.
