OCCUPATIONAL SAFETY AND HEALTH
APPEALS BOARD

Summary of G.T. Alderman, Inc. - Decision After Reconsideration

ALJ properly amended a citation in order to match the correct citation with the facts of the accident. Absent prejudice to the Employer, the Division could make a motion to amend the citation at the hearing, and the fact that such motion was not made prior to 20 days before the hearing does not prohibit the ALJ from approving the request to amend.

G.T. ALDERMAN, INC. 05-R4D3-3513
