Agenda:

We invite you to join members of the Cal/OSHA Appeals Board for a "Roundtable" discussion to seek ideas for improvement regarding Board operations. The purpose of the meeting will be to solicit from stakeholders, and then discuss, ideas for improvements in the Board's processes and procedures. This roundtable will not have video-conferencing access. Your in-person participation is encouraged.

Potential discussion topics will include, but not be limited to: (1) Appeals Board announcements; (2) methods to improve employer and third party knowledge, access and/or participation in Board proceedings; (3) pre- and post-pandemic operations; and (4) pending rulemaking package.

If you have specific issues you would like to see discussed at the roundtable, please email me at jjonas@dir.ca.gov, as soon as possible so that we can make room on the agenda for the topic. I will send a follow up email with a complete agenda before the meeting.

The SCIF Learning Center is located near Highway 80 in Vacaville and is about equidistant between Sacramento and Oakland. We plan to take a break for lunch. There is a café on site, but there are also many restaurants nearby. We hope to see you there.
