Field Survey Operations, Working Alone
Tuesday, April 26, 2016, 9:30am – 3:30pm

Operating Engineers, Local 3
Large Training Room
3920 Lennane Drive
Sacramento, CA 95834

AGENDA

- 1) Call to Order.
- 2) Welcome and opening remarks. (by Chair)
- 3) Self-Introductions. Committee Members.
- 4) About the Facilities.
- 5) Standards Board policy and practice advisory committees.
- 6) Review –“Working Alone in the Construction Industry” subcommittee’s recommendations.
- 7) Discussion of the Proposal
 - a. Necessity–Does the proposal effectively address the goal of reasonably protecting workers who perform field survey operations alone?
 - b. Clarity–Are there any ambiguities within the proposal, which the committee should address?
 - c. Alternatives–Are there any alternatives, which may be added or substituted within the proposal that would improve the efficacy of the proposal to benefit the safety of those performing field survey operations alone?
- 8) Impact of the Proposal
 - a. Economic Impact–What are the implementation costs and benefits to the private sector associated with the proposal? (Time, money, equipment and personnel)
 - b. Fiscal Impact–What are the implementation costs and benefits to the public sector associated with the proposal? (Time, money, equipment and personnel)
- 9) Summary and Review–committee recommendations (by Chair)
- 10) Adjournment.
